

Rätsel vom Dezember

The crossword puzzle grid is 15 columns wide and 15 rows high. The starting cells for the words are numbered 1 through 15. The grid contains the following icons and numbers:

- Row 1: Column 8 contains the number 5.
- Row 2: Column 2 contains a sky icon; Column 5 contains a crown icon; Column 10 contains the number 8.
- Row 3: Column 14 contains the number 4.
- Row 4: Column 1 contains a book icon; Column 2 contains the number 9; Column 14 contains the number 13.
- Row 5: Column 10 contains a loaf of bread icon.
- Row 6: Column 5 contains a globe icon.
- Row 7: Column 1 contains a signpost icon; Column 3 contains the number 1; Column 7 contains the number 7; Column 14 contains the number 10.
- Row 8: Column 5 contains the number 15; Column 10 contains the number 2.
- Row 9: Column 8 contains a person with a child icon; Column 9 contains the number 11; Column 10 contains the number 12.
- Row 10: Column 5 contains the number 14.
- Row 11: Column 5 contains a gift icon; Column 6 contains the number 3; Column 11 contains the number 6.

Below the grid is a 15x1 grid of boxes containing the numbers 1 through 15, with an equals sign (=) in the 4th box and a plus sign (+) in the 10th box.

1	2	3	4	=	5	6	7	8	9	10	+	11	12	13	14	15
